[No. 594.]

## Notice for the Restoration of Certain Lands to Market in the State of Wisconsin.

The grant of land to Wisconsin by the act of Congress approved 2d June, 1856, has been so far adjusted as to authorize the release from withdrawal of the vacant granted lands outside of the six-mile limit of the following routes for railroads, viz:

First, the railroad route from Madison or Columbus, by the way of Portage City, to the St. Croix river, or lake, between two ranges twenty-five and thirty-one, "and."

Second, the line from "Fond du Lac, on Lake Winnebago, northward," situated within the following-named townships, viz:

North of the base line and west of the fifth principal meridian.

Notice is therefore hereby given that all the vacant granted lands heretofore withdrawn from sale, or may have been withdrawn from the market, within the boundaries of the said townships, situated in the unappropriated townships, which have not been located in virtue of sale, or any other grant made by Congress, or legally claimed by pre-emption, and which were withdrawn from the market by the law of June 2d, 1856, will be restored to private entry on the days next at the places hereinbefore specified, at the ordinary minimum of one dollar and twenty-five cents per acre.

And withdrawal of certain lands was also ordered June 12, 1856, along the other proposed routes mentioned in said act, viz: from "the Menomonee river, or lake," "to the west end of Lake Superior; and to Bayfield," as so altered for the surveys and selections for said roads, but no survey having been reported of the same by the Department of the Interior, although more than a year and a half have elapsed since said withdrawal.

Notice is therefore hereby given that all the vacant granted lands heretofore withdrawn from sale, or may have been withdrawn from the market, within the boundaries of the said townships, situated in the unappropriated townships, which have not been located in virtue of sale, or any other grant made by Congress, or legally claimed by pre-emption, and which were withdrawn from the market by the law of June 2d, 1856, will be restored to private entry on the days next at the places hereinbefore specified, at the ordinary minimum of one dollar and twenty-five cents per acre.

And withdrawal of certain lands described which had been withdrawn from the market by the law of June 2d, 1856, in the following, will be restored at the times hereinbefore designated, with the express proviso, that the railroad grant by said act of 3d June, 1856, will stand to the extent of the original grant, and that each of the said roads as may be actually surveyed and staked off before the day hereinbefore fixed, shall be restored of said lands.
